## Annual Lake Region Law Enforcement PREA Report

On March 4, 2020 the Lake Region Law Enforcement Center completed it's annual PREA Review. During 2019 there were 18 PREA Allegations that were investigated. These Allegations included:

- 1 Inmate on Inmate Sexual Assault-Unsubstantiated
- 7 Inmate on Inmate Harassment-Unsubstantiated
- 3 Inmate on Inmate Harassment-Substantiated
- 4 Inmate on Inmate Harassment-Unfounded
- 3 Staff on Inmate Harassment-Unfounded

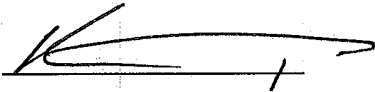

The LEC has PREA training during orientation for Staff. The training during orientation touches on Staff Misconduct and how Inmates can make a report. The LEC strives to have a safe environment for Inmates and Staff.

In 2019 the LEC updated its security system. This system includes a speaker system which allows the Inmates to have contact with Staff at all times.

We are currently working on putting kiosks in each unit of the facility which will include all information for PREA/Rules to the Inmates and also for making PREA reports quick and confidential.

All PREA information can be found on the LEC website [www.lrlec.org](http://www.lrlec.org)
