LAKE REGION RESIDENTIAL REENTRY CENTER ANNUAL PREA REPORT AND ALLEGATION SUMMARY 2019

The Lake Region Residential Reentry Center (RRC) is a branch of the Lake Region Law Enforcement Center (LEC). On March 4th, 2020 the PREA review board met and reviewed all PREA related allegations received in 2019. In total there were (4) allegations of PREA incidents in 2019 that resulted in the following findings:

- Three (3) allegations of staff on resident harassment all unfounded.
- One (1) allegation of staff on resident sexual misconduct which was substantiated.

The number of allegations made in 2019 remain consistent with 2017 (3) and 2018 (3). While there was not a significant increase numerically, the RRC takes all allegations seriously and uses each to review the operational practices and physical plant for potential weaknesses.

The RRC continues to provide regular PREA training to all staff to promote PREA compliance within the facility. In 2020 the existing surveillance system will be replaced with a new system that will increase camera quality and improve camera coverage in some low visibility areas.

All PREA audits are posted on the facility website: www.lrlec.org
